

SUMMER 2026 ON THE
RIVER TERRACE

**SOMERSET
HOUSE**

HOME OF CULTURAL INNOVATORS

SOMERSET HOUSE

As the home of cultural innovators, Somerset House is a site of origination, with a cultural programme offering alternative perspectives on the biggest issues of our time. Our spirit of constant curiosity and counter perspective is integral to our history and key to our future.

Run as an independent charity by the Somerset House Trust, all event hire income directly contributes to our diverse cultural programme, pioneering engagement & skills work, support of emerging artists and helps to maintain our historic Grade I listed site. You can be confident that your event will directly support an organisation offering immense value to an audience which goes far beyond your attendees.

RIVER TERRACE

Set against the backdrop of Somerset House's iconic 18th century façade and with sweeping views across the Thames, the River Terrace is one of our most exclusive spaces and the perfect location for a standing reception.

The River Terrace is a glamorous alfresco London setting to entertain guests in the warmer months.

Perfect for summer parties, you can invite your guests to a private barbecue expertly planned by one of our caterers or simply enjoy a drinks reception while the London landmarks light up your event.

OUR SITE

As an arts and culture centre open to the public, we cannot always confirm what might be happening around the rest of the public areas at Somerset House at that time.. We have a very exciting and constantly expanding public programme, which sees lots of different installations, exhibitions, artwork, and public events all over the site. It is a huge part of what makes us Somerset House. There are also occasions where essential works need to take place on the building and these instances are out of our control.
